Hygiene & Quality Assurance

Topping Meats is EC approved, and the premises are inspected regularly by official Veterinary inspectors and are also BRC accredited.

The fully experienced staff carefully implement an overall hygiene and quality assurance programme, so that every consignment is despatched in optimum condition.

The Quality Approach

The company philosophy is to work in close partnership with our customers to our mutual benefit. The management team with its depth of experience in the beef and lamb business, utilise their skills to deliver on the company promise to provide the best quality and service at all times.
